Pure Water Filtration System (125-135 LPH)

Call for price (01728262625)

2 filter cups
1 vertical pump
1 T33 & pressure gauge
word, 1 emission
2 membranes 400G

Overview:

This compact and efficient water filtration system is designed to deliver pure, clean water for various applications. With a capacity of 125-135 liters per hour, it is ideal for small to medium-sized businesses, households, and laboratories. The system features a robust stainless steel frame and a user-friendly design for easy operation and maintenance.

Key Features of Pure Water Filtration System (125-135 LPH):

- **High-Capacity Filtration:** Processes 125-135 liters of water per hour.
- **Multi-Stage Filtration:** Employs a multi-stage filtration process to remove impurities, bacteria, and viruses.
- **Stainless Steel Construction:** Durable and corrosion-resistant stainless steel frame for long-lasting performance.
- **User-Friendly Design:** Easy to install, operate, and maintain.

- **Compact Footprint:** Ideal for space-constrained areas.

Filtration Stages of Pure Water Filtration System (125-135 LPH) :

1. **Sediment Filter:** Removes large particles, dirt, and rust.
2. **Carbon Filter:** Reduces chlorine, organic contaminants, and unpleasant tastes and odors.
3. **Reverse Osmosis (RO) Membrane:** Removes dissolved solids, bacteria, and viruses.
4. **UV Sterilizer:** Kills remaining microorganisms.
5. **Carbon Post-Filter:** Polishes the water, improving its taste and odor.

Benefits of Pure Water Filtration System (125-135 LPH) :

- **Improved Water Quality:** Removes impurities, bacteria, and viruses.
- **Enhanced Taste and Odor:** Eliminates unpleasant tastes and odors.
- **Reduced Scale and Corrosion:** Protects plumbing fixtures and appliances.
- **Energy Efficient:** Designed for optimal energy consumption.
- **Environmentally Friendly:** Reduces the need for plastic water bottles.

Applications:

- **Drinking Water:** Provides safe and clean drinking water for homes and offices.
- **Laboratory Use:** Supplies purified water for laboratory experiments and analysis.
- **Industrial Processes:** Used in various industrial processes requiring pure water.

Maintenance:

- Regular filter replacement as per the manufacturer's recommendations.
- Periodic cleaning of the system to maintain optimal performance.

Why Choose Aquafit Technologies for Your Domestic Water Purifier Needs

When it comes to selecting a domestic water purifier, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

1. **Economical Pricing:** We offer high-quality water purifiers at competitive prices, ensuring that you get the best value for your money without compromising on

quality.

2. Rapid Service: Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.

3. Three Years of Free Servicing: Enjoy peace of mind with our three-year free servicing offer, which covers regular maintenance and repairs, reducing long-term costs.

4. EMI Opportunities: To make our products more accessible, we offer EMI options, allowing you to spread the cost of your purchase over manageable monthly payments.

5. Extensive Service Network: With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.

6. Affordable Filter Parts: We provide filter parts at the lowest prices, making it economical to maintain your purifier and keep it running efficiently.

7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.

8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.

9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.

10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated domestic water purifiers and join the many satisfied clients who trust us for their water purification needs.
