Conductivity Meter With TDS

Price: 6800.00 /-7000.00

Key Features of Conductivity Meter With TDS:

- **Conductivity Measurement**: Accurately measures the conductivity of solutions, indicating the presence of dissolved ions.
- TDS Measurement: Measures the total amount of dissolved solids in the solution.
- High Accuracy: Provides precise and reliable readings.
- Easy to Use: Simple and intuitive operation with a user-friendly interface.
- **Portable Design**: Compact and lightweight for easy portability and field use.
- **Durable Construction**: Built with durable materials for long-lasting performance.

Benefits of Conductivity Meter With TDS:

- Water Quality Monitoring: Monitors the quality of drinking water, wastewater, and other water sources.
- **Environmental Monitoring**: Assesses the environmental impact of pollutants in water bodies.

- Laboratory Analysis: Used in various laboratory applications for research and analysis.
- **Process Control**: Monitors and controls the conductivity of solutions in industrial processes.
- Cost-Effective: Provides a cost-effective solution for measuring conductivity and TDS.

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

- 1. Economical Pricing: We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
- 2. Rapid Service: Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
- 4. Extensive Service Network: With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
- 5. Affordable Parts: We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
- 7. 24/7 Service Centers: Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
- 8. 100% Return Policy: We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
- 9. Client Satisfaction First: At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.
- 10. Flexible Payment Options: We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient

and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our toprated products and join the many satisfied clients who trust us for their water purification needs.
