Conductivity Meter With TDS

Price : 6800.00 /-7000.00

Key Features of Conductivity Meter With TDS :

- **Conductivity Measurement:** Accurately measures the conductivity of solutions, indicating the presence of dissolved ions.
- **TDS Measurement:** Measures the total amount of dissolved solids in the solution.
- **High Accuracy:** Provides precise and reliable readings.
- **Easy to Use:** Simple and intuitive operation with a user-friendly interface.
- **Portable Design:** Compact and lightweight for easy portability and field use.
- **Durable Construction:** Built with durable materials for long-lasting performance.

Benefits of Conductivity Meter With TDS:

- **Water Quality Monitoring:** Monitors the quality of drinking water, wastewater, and other water sources.
- **Environmental Monitoring:** Assesses the environmental impact of pollutants in water bodies.

- **Laboratory Analysis:** Used in various laboratory applications for research and analysis.
- **Process Control:** Monitors and controls the conductivity of solutions in industrial processes.
- **Cost-Effective:** Provides a cost-effective solution for measuring conductivity and TDS.

Why Choose Aquafit Technologies for Your Water related product

When it comes to selecting a water related product, Aquafit Technologies stands out as a top choice for several compelling reasons. Here's why our clients prefer us over others:

- 1. Economical Pricing:** We offer high-quality product at competitive prices, ensuring that you get the best value for your money without compromising on quality.
- 2. Rapid Service:** Our dedicated team provides quick and efficient service, addressing any issues or queries promptly to ensure your purifier remains in optimal condition.
- 4. Extensive Service Network:** With over fifty service centers across Bangladesh, we ensure that help is always close by, no matter where you are.
- 5. Affordable Parts:** We provide parts at the lowest prices, making it economical to maintain your product and keep it running efficiently.
- 7. 24/7 Service Centers:** Our service centers operate around the clock, offering support whenever you need it, including evenings and weekends.
- 8. 100% Return Policy:** We stand by the quality of our products with a 100% return policy on any default items, ensuring complete customer satisfaction.
- 9. Client Satisfaction First:** At Aquafit Technologies, we prioritize client satisfaction above all else, striving to exceed your expectations with every interaction.
- 10. Flexible Payment Options:** We accept payments through more than 20 bank cards and mobile banking services, making transactions convenient

and hassle-free.

Choosing Aquafit Technologies means opting for quality, reliability, and exceptional customer service. Experience the difference with our top-rated products and join the many satisfied clients who trust us for their water purification needs.
